## HISTORY

Every year since 1981, a number of ministers come together (Midwest Word Pastors' Association) with the vision of putting on a camp meeting-style conference in the upper Midwest. Today, that conference is known as **MWPA FAMILY CAMP**.

The Family Camp conference is held at the Green Lake Conference Center in Green Lake, WI. The Green Lake Conference Center is a beautiful year-round Christian conference center set on the beautiful shores of Green Lake. Founded by the American Baptists in 1943, the conference center now reaches out to other Christian organizations to build God's kingdom.
