If Anne Durant had one desire for you, it would be that you "get it". That you "get" God's Word and that it makes enough sense to you in your everyday life to use it! Only the anointing of God can reach into your life and transform it to that degree. That anointing is apparent in Anne's vibrant teaching, preaching, healing, and music ministry. Anne is a graduate of Rhema Bible Training College and she and her husband have traveled the world ministering together for the past 26 years. She combines an accurate use of the Word along with humor-filled everyday examples that make the principles of faith easy to understand and put into practice. Her smile is infectious; she'll make you laugh while God opens your heart and does His work.
